Letter to Detroit
Re: General Gordon Baker, Jr.

Detroit is referred to its file 157-3212, Bureau file [redacted] on this individual who is a Security Index subject of the Detroit Office. That file reveals that Baker was arrested 10/11/63 for booing the playing of the National Anthem at a public assembly. He was the acknowledged leader of the Detroit group of the Revolutionary Action Movement (RAM), an all Negro, violently antiwhite, Marxist-oriented group which followed the Chinese Communist Party line. He was active in the formation of two rifle groups which instructed RAM members in the use of firearms. In the Summer of 1964, he made an illegal trip to Havana, Cuba.

b3
b7E

Baker was uncooperative when an attempt was made to interview him on 1/21/65. He admitted he was the General Gordon Baker, Jr. who had travelled to Cuba during 1964, but declined to discuss the trip.

In August, 1965, he was reported to be stockpiling ammunition and stated a race riot was overdue in Detroit.

Baker organized a protest demonstration for September 10, 1965, protesting his induction into the United States Army and passed out leaflets in the ghetto area entitled "To Hell with the Draft," and "Attention Black Brother."

On August 9, 1966, there was a racial disturbance and confrontation with police on the east side of Detroit. Baker was observed in the area. The vehicle in which Baker was riding was stopped and searched, and a quantity of arms, ammunition, rifles, and cherry bombs were found. Baker and his companion, [redacted], were arrested and charged with [redacted]. Both were found guilty on [redacted] and sentenced to [redacted].

b6
b7C

On January 11, 1967, Baker was arrested for fighting with a Detroit police officer who attempted to question Baker concerning automobile thefts.

SEE PAGE 3 FOR FURTHER SPECIFIC INSTRUCTIONS

Letter to Detroit
Re: General Gordon Baker, Jr.

On July 23, 1967, a massive civil disorder started in Detroit, Michigan, and a curfew was placed in effect. Baker [redacted] were arrested [redacted]. This charge was subsequently dismissed due to lack of sufficient notice of the curfew.

b6
b7C

In the Spring of 1969, Baker met with representatives of the North Vietnamese Government in Windsor, Ontario, Canada, seeking moral and financial support for the League of Revolutionary Black Workers (LRBW). The LRBW is a black extremist labor union which has used threats of violence in an attempt to obtain its demands. Baker is active as a member of the Central Committee of LRBW. He has been instrumental in the publication of "Inner City Voice," a Detroit newspaper whose goal is the building of a mass circulating revolutionary propaganda program.

Detroit is referred to its letter dated 3/26/70 concerning the "Committee to Aid the Defense of Robert F. Williams." Detroit file 157-5270, which lists General Baker, [redacted]. Williams was formerly President of the Republic of New Africa, having resigned in November, 1967.

b6
b7C

The attention of Detroit is also called to its airtel dated 4/28/70 concerning "World Black Revolution," Detroit file 157-4924, and the accompanying letterhead memorandum which makes reference to General Gordon Baker, Jr.

Detroit will verify the employee's birth, noting that he claims to have been born 9/6/41, Detroit, Michigan. Suitable topical headings should be utilized by Detroit to facilitate review by interested agencies. Sufficient personnel should be assigned to this matter by Detroit to insure prompt and thorough handling.

Also enclosed for Washington Field, for its ready reference, is a copy of Detroit teletype of 3/2/71. Washington Field will note that the SF 85 in question was submitted by the U.S. Postal Service. The Bureau has alerted the U.S. Postal Service to the background of this individual.

SEE PAGE 4 FOR FURTHER SPECIFIC INSTRUCTIONS.

Letter to Detroit
Re: General Gordon Baker, Jr.

Washington Field will clarify the employment status of Baker and determine if employment is within the purview of EO 10450. Washington Field will promptly review the personnel file of Baker and set out logical leads. Detroit and Washington Field will be alert to determine how the employee has answered questions concerning prior arrests and/or convictions.

Washington Field will check passport and other appropriate State Department records. In this connection, Washington Field is referred to its file [redacted]. The employee had passport number D 612 729.

b3
b7E

As you are aware, the Bureau, in conducting investigations under EO 10450 and in discharging its specific responsibilities under this program, must develop and report pertinent information which may be used by the responsible agency in making its adjudication as to the individual's suitability for Government employment. Such adjudicative action may include an interview with the employee, an interrogatory or letter of charges based on information contained in the SGE reports. Care should be taken in reporting such information to prevent possible jeopardizing the identities of current valuable informants.

Detroit should be furnished a copy of reports in this case for the completion of its file.

Baker should be considered ARMED AND DANGEROUS.

Letter to Detroit
Re: General Gordon Baker, Jr.

You are authorized to conduct necessary investigation involving persons connected with educational institutions unless your office is aware of a possible problem at a particular school. Source, who has furnished reliable information in the past, advised on June 21, 1971, that General Gordon Baker, Jr. reported to the Probation Department, Detroit Records Court, Detroit, Michigan, on June 17, 1971. Source stated that Baker informed his probation officer that he would like permission to travel to Stockholm to visit a friend, [REDACTED]. According to the source, Baker stated the cost of an airline ticket amounted to \$400.00 and that this ticket had been purchased and paid for him by another individual.

[REDACTED] is a former member of the League of Revolutionary Black Workers (LRBW) who fled to Sweden in April, 1970, after being indicted by a United States Grand Jury, Detroit, Michigan, in March, 1968, for the forgery of stolen U.S. savings bonds.

The LRBW is a black extremist labor organization whose goal is to oust United Auto Workers as bargaining representatives for black workers in Detroit area automobile plants.

The source stated that Baker noted to his probation officer that he had not yet decided on an exact date for his travel to Sweden but he indicated he might go on a short notice, and he inquired of his probation officer if he could get telephonic permission for this trip.

Re: General Gordon Baker, Jr.

According to the source, permission for Baker to travel to Sweden was held in abeyance by his probation officer. The source stated that Baker was requested to again contact his probation officer on June 23, 1971.

On June 24, 1971, source stated that Baker reported to his probation officer as requested. At this time Baker's probation officer informed Baker that permission for Baker to go to Sweden was denied due to the fact that Baker did not have a sufficient reason to leave the country and in addition Baker still owed approximately \$315.00 towards his fine and also because of the nature of the offense for which Baker had been convicted. Source advised that Baker was again requested to report to his probation officer on July 7, 1971.

On July 8, 1971, source stated that Baker reported as scheduled to his probation officer. At this time Baker informed his probation officer that he had obtained a passport for travel to Europe. Baker also explained to his probation officer that an airline ticket had not been purchased for him in the United States but that a ticket was going to be purchased for him in Sweden in the event that he had obtained permission ~~for travel to that country and in the event he received permission~~ the airline from whom the ticket was purchased would notify him.

According to the source, Baker was very careful as to the information he gave the probation officer and would not divulge the name of the airline or the source in Sweden who would purchase the ticket. Source stated that permission was again denied to Baker for any travel outside the United States.

The source advised that Baker was requested to maintain contact with his probation officer biweekly.

Accordingly, you must immediately intensify all aspects of this investigation. Target existing sources and informants to develop specific data with respect to subject's LRBW assignment and in order to be apprised of his contacts, travels and associates of a black extremist nature. Undertake imaginative and aggressive action to develop additional sources and informants close to subject in order to provide the above type information.

Arrange, through established sources, to discreetly monitor existing bank accounts held by subject. Similarly, arrange to discreetly obtain lists of toll calls charged to subject's residence telephone for information of intelligence value. Submit same to the Bureau for checks against the [redacted]. Set forth investigative leads concerning such numbers as may not be identified through the above action. (X)

b7E

(U) Submit results of intensified investigation to the Bureau in form suitable for dissemination. Include in a cover airtel additional investigative steps planned by your office to produce badly needed intelligence information with respect to subject's activities. You should also set forth, therein, steps taken by your office to that time to expand on your informant coverage in this case. Your progress in that regard is being followed most closely by the Bureau.

You should, of course, undertake no investigative action to give the erroneous impression the Bureau is investigating legitimate labor-management activities.

NOTE:

Subject is on the Security Index (SI) as a result of his revolutionary activities and status as a leader in the Black Extremist League of Revolutionary Black Workers group in Detroit. He has not been involved in New Left activities and use of a warning statement to that effect by Detroit is not correct. Subject's activities demanded this case receive intensified investigation and appropriate instructions are being directed to Detroit.

BLACK WORKERS

Synopsis: Subject continues to list his residence and mailing address as [REDACTED] Avenue, Highland Park, Mich. He lists his permanent address as [REDACTED] Detroit, Mich. Subject presently employed at Ford Transmission and Chassis Plant, 17 Mile Road at Mound Road, Sterling Heights, Mich., where he is employed on a 10 hour, 6 day shift. Subject requested permission from Probation Department, Detroit Recorders Court, to travel to Sweden by air for a stay of two weeks, but was refused permission by his probation officer. Subject functions as a group leader of LRBW members who would take part in demonstrations at various industrial plants in the Detroit area if such demonstrations would be instituted. Subject is one of LRBW's leaders who believes LRBW should concentrate their efforts in organizing black leaders only in Detroit at present time as opposed to another faction within the LRBW who believe in a revolutionary organization on a nationwide basis. Description of subject set forth. SUBJECT SHOULD BE CONSIDERED ARMED AND DANGEROUS SINCE HE HAS BEEN CONVICTED IN THE PAST FOR CARRYING A CONCEALED WEAPON.

DETAILS

I. BACKGROUND

A. Residence

DE T-1 advised on August 13, 1971, that GENERAL GORDON BAKER, JR., continues to list his mailing address as [redacted] Avenue, Highland Park, Michigan. [redacted] Highland Park, is the headquarters of the League of Revolutionary Black Workers (LRBW) and [redacted] International Black Workers Congress (IBWC) also known as the Black Workers Congress (BWC).

b6
b7C

The LRBW is a black extremist labor organization whose goal is to oust United Auto Workers as bargaining representatives for black workers in Detroit, Michigan, area automobile plants.

The IBWC also known as the BWC is a self-described organization of black workers and students who have joined together to further the revolutionary struggle in the United States and other parts of the world to consolidate many existing organizations and to build unity among the revolutionary Third World Forces.

The [redacted] U.S. of the IBWC is [redacted] former [redacted]

b6
b7C

The SNCC was formerly known as the Student Non-violent Coordinating Committee and was founded in 1960 during the period of civil rights activity in the South. The organization advocates the use of force to achieve revolutionary goals and the destruction of the capitalistic system of government in the United States.

b6
b7C

Records of the Passport Office, Department of State, Washington, D.C., disclosed that the subject, as of May 21, 1971, listed his current address as [redacted] Detroit.

B. Employment

DE T-1 advised on August 13, 1971, that GENERAL GORDON BAKER, JR., is presently employed at the Ford Transmission and Chassis Plant, 17 Mile Road at Mound Road, Sterling Heights, Michigan. DE T-1 added that BAKER works a ten hour, six day week and he was paid at the rate of \$4.09 per hour. He began this employment on August 2, 1971.

II. ACTIVITIES

DE T-2 on June 19, 1971, advised that GENERAL GORDON BAKER, JR., functions as a group leader of members within the LRBW which group would take part in demonstrations at various industrial plants in the Detroit area if such demonstrations would ever be instituted.

DE T-2 on August 3, 1971, advised that there is a serious difference of opinion among the leaders of the LRBW. One faction which is lead by GENERAL GORDON BAKER, JR., believes the LRBW should concentrate their efforts in organizing black workers only in the Detroit area while the other faction believes in a revolutionary organization on a nationwide basis.

A news article in the "Detroit Free Press", a Detroit daily newspaper, on August 5, 1971, reported that a major rift has occurred within the leadership of the LRBW and that three of its most executive leaders have resigned effective August 23, 1971, apparently because of a disagreement between other league leaders including BAKER who reportedly favored a black nationalistic approach and the steering of the league at present towards organizing black leaders in the Detroit area where as other resigned leaders believe in a national revolutionary organization program that should be undertaken.

DE T-3 advised on August 16, 1971, that he was not aware of any militant activity on the part of BAKER during the past several months.

III. MISCELLANEOUS

Records of the Passport Office, Department of State, Washington, D.C., reviewed by a representative of the FBI disclosed that the subject applied for a passport to travel to Sweden via air for purposes of "visit" and that he intended to depart on April 30, 1971, for a stay of two weeks. BAKER was issued Passport Number V-1167000, on May 27, 1971, which was mailed to [redacted] Avenue, Highland Park, as requested in his application.

b6
b7C

DE 157-3212

DE T-4 advised on June 11, 1971, that the subject is on five years probation until March 27, 1972, for his conviction at Detroit Records Court, Detroit, on March 27, 1967, on a charge of Carrying a Concealed Weapon for which he received a \$500.00 fine in addition to a probationary period of five years.

DE T-1 added that the subject cannot leave the country or the State of Michigan without obtaining the permission of his probation officer of the matter of his travel and furnishing the probable manner of his travel.

DE T-1 stated that the subject, therefore, requested such permission and was presently employed at this time at the Young Men's Christian Association (YMCA), Northeast Branch, 10100 Harper, Detroit.

Inquiry on June 11, 1971, by a Special Agent of the FBI at the Northeast Branch of the YMCA disclosed the subject had worked on this date and was scheduled to report for work on the following day, June 12, 1971.

DE T-5 advised on June 21, 1971, that the subject on June 17, 1971, requested permission from his probation officer at the Detroit Records Court permission to travel to Stockholm, Sweden, via air to visit a friend by the name of [redacted]

[redacted] BAKER indicated that his air travel expenses would be paid for him in Sweden if he obtained permission for travel.

Mich

[redacted] was a former member of the Detroit LRBW who fled to Sweden in April, 1970, after being indicted by a United States Grand Jury in Detroit in March, 1969, for the forgery of United States Savings Bonds.

On June 16, 1971, the Swedish Supreme Court rejected a request of the United States Government to expedite [redacted] and permitted him to continue to reside in Sweden.

Records of the Scandinavian Airline System, Incorporated, British Overseas Airways Corporation (BOAC), Pan American Airlines and Trans World Airlines, caused to be searched by a Special Agent of the FBI on June 7 to June 10, 1971, failed to indicate any travel indications on the part of the subject.

DE 157-3212

The above airlines are the only airlines with direct connections of flights to Sweden.

DE T-4 advised that on June 23, 1971, permission was refused BAKED by his probation officer to travel to Sweden.

A description of the subject obtained from the records of the Passport Office, Department of State and DE T-3 is as follows:

Detroit notes that BAKER has been relatively inactive for the last several months which renders it extremely difficult to give positive assignments to these sources, nevertheless Detroit is attempting to have all black extremist sources in a position to report on any activities or movement of BAKER should he resume overt activity.

- P -

DETAILS:I. BACKGROUNDA. Residence

DE T-1 advised on October 8, 1971, and November 23, 1971, that GENERAL GORDON BAKER, JR. continues to list his residence at [REDACTED] Avenue, Highland Park, Michigan. The above address [REDACTED] League of Revolutionary Black Workers (LRBW).

b6
b7C

The LRBW is a black extremist labor organization whose goal is to oust United Auto Workers as bargaining representatives for black workers in Detroit, Michigan, area automobile plants.

B. Employment

DE T-1 advised on October 8, 1971, that BAKER is currently unemployed. DE T-1 stated that BAKER's employment at Ford Transmission and Chassis Plant, 17 Mile Road at Mound Road, Sterling Heights, Michigan, was terminated on October 6, 1971, due to the fact that Ford management found that BAKER had been involved in a wildcat strike while employed at Chrysler Motors in May, 1968, and he had failed to mention this on his application at Ford Motor Company. The cause of his termination was for falsifying his employment application.

DE T-1 further advised that BAKER has spoke to the President of the United Auto Workers (UAW) Local at the Ford Transmission and Chassis Plant and to Ford management regarding rehire. Ford management indicated BAKER would be considered for rehire in the event Ford needed more help.

DE T-1 further advised on October 29, and November 23, 1971, that BAKER is still unemployed. He is seeking employment in the Detroit area and has filed job applications at the Detroit Tire Plant of Uniroyal, Inc. and Michigan Employment Security Council in Detroit, Michigan. DE T-1 added that BAKER currently engaged in handyman-type jobs which is the only source of his income at the present time.

II. ACTIVITIES

DE T-1 advised on October 23, 1971, that BAKER indicated on October 13, 1971, that due to his unemployment status, he is not too involved in LRBW activities at the present time.

DE T-2 advised on August 26, 1971, that the recent internal dissension in the LRBW has caused BAKER to split with other former league members who have resigned from the league.

DE T-3 advised that to the best of his knowledge, BAKER has not been active in any demonstrations or militant activities since the split of leaders in the LRBW which occurred in August, 1971.

DE T-4 and DE T-5 advised on December 1, 1971, that up to the present time BAKER has not engaged in any known militant activities during the past several months.

Captioned individual is one of the leaders of the League of Revolutionary Black Workers (LRBW) and is on the Central Committee of that organization.

The LRBW is a Detroit based black extremist labor organization whose goal is to oust United Auto Workers as bargaining representatives for black workers in Detroit, Michigan, area automobile plants.

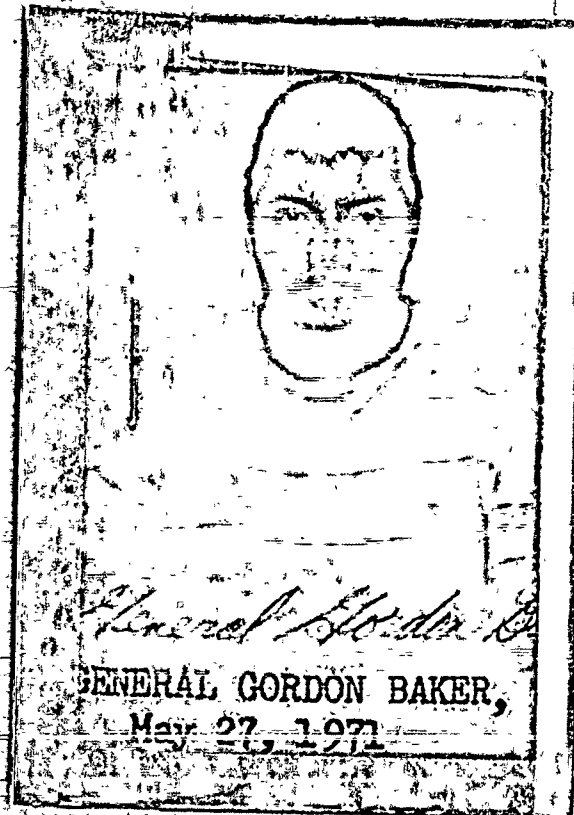

The LRBW does not have a history of violence.

Baker's travel plans are not known at this time, however, because of his background he may travel to Miami Beach, Florida, during the National Political Conventions in July, 1972.

Reurlet 6/9/76 captioned as above and FBIHQ airtel to Albany dated 4/28/76 captioned, "Attorney General Guidelines for FBI Information-Gathering and Retention Policies" and "Domestic Security Investigations."

As indicated on page three of referenced FBIHQ airtel, the continued full investigation of an individual affiliated with an organization under investigation will be directly related to the approval of the continued full investigation of the organization. As indicated in your referenced letter and in previous communications, subject is a leader of the CLP/USNA in Detroit and, by virtue of this, he should be the subject of investigation because of his leadership activities for as long as the organization itself is under investigation. The CLP/USNA organization is scheduled to be the subject of a summary to be submitted by the Chicago Office by 8/30/76, which summary will include the proposed full investigations planned of officers, leaders and activists within the organization. Thereafter, the Department will be able at one time to approve or disapprove the full investigation of the organization and of described individuals within the organization. In the meantime, investigations of individual leaders, including the subject, should continue as set forth in referenced FBIHQ airtel.

The bases for investigation of the revolutionary CLP/USNA will be specific and articulable facts giving reason to believe the organization is or may be engaged in activities which involve or will involve the use of force or violence and which involve or will involve the violation of federal law. The same bases apply to investigation of the subject as a leader of CLP/USNA.

The CLP and other minor political parties filed suit in Federal Court contending the new Michigan law passed in 4/76, limiting the number of minor parties on the 11/76 Michigan ballot is unconstitutional.

A Federal Court ruled on 8/18/76 that the Michigan law was constitutional, but was passed too late to apply to the 11/76 election.

Detroit is closing its investigation of subject due to his candidacy for public office and will continue to follow subject's activities through established sources, but will conduct no active investigation.

Upon completion of Michigan 11/76 election, Detroit will notify the Bureau of the results of the election and take appropriate action.

Communist Labor Party of the United States of North America.

The Communist Labor Party of the United States of North America (CLP/USNA) was formed during a congress held in Chicago, Illinois, on August 29-September 2, 1974, sponsored by the Communist League (CL).

The CLP/USNA resulted from a merger of the CL with other small Marxist-Leninist communist groups. Membership in the CLP/USNA is composed primarily of members of the now dissolved CL. The CLP/USNA is headquartered in Chicago, Illinois.

The CL in sponsoring this congress issued a pamphlet entitled "Draft Congress Documents" which states, "The working class of the United States of North America is locked in a life and death struggle with the capitalist class. This struggle is evolving under conditions where the workers have no General Staff -- no Marxist-Leninist Communist Party to guide them". The Party program is summarized: "The struggle of the working class of the USNA for its emancipation is a political struggle. Its aim is to defeat the fascist offensive, and by doing so, pass over to the offensive of the working class, overthrowing the monopoly capitalist rule which is the seedbed of fascism. Only through the revolutionary struggle for reforms can the proletariat establish its dictatorship."
